This publication is purely informative and does not constitute an offer, quotation or request for quotation and is not a public advertisement for the purchase or sale of investment or other specific products.

The content of this publication has been compiled by our employees and is based upon sources of information that we consider to be reliable. We cannot, however, make any representation or warranty as to its accuracy, completeness or topicality. The circumstances and foundations upon which the information contained within this publication is based, can change at any time. Therefore, once published, information must not be understood to mean that circumstances have not changed since publication or that the information is still up to date since its publication.

The information contained in this publication does not represent advice regarding economic, legal, tax or other consultancy matters, nor should investment decisions or other decisions be made solely on the basis of this information. It is recommended that advice be obtained from a qualified expert.

Investors should be aware that the value of investments can rise as well as fall. Positive performance in the past is no guarantee of positive performance in the future. Furthermore, investments denominated in foreign currencies are subject to exchange rate fluctuations.

We exclude without exception any liability for losses or damages of any kind – be it for direct, indirect or consequential damages – arising from the use of this publication.
